

# CGPAC is offering a **virtual** dance class for your 2-4-year-old child!

## Preschool Zoom Dance

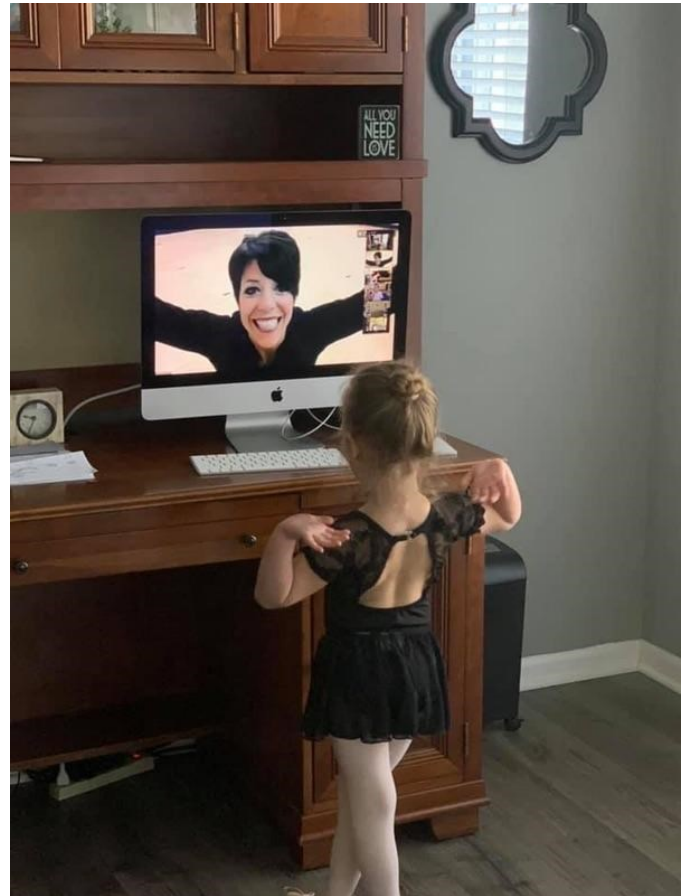

Wednesdays  
9:30-10:00 am  
10/21-11/25

\$60 for the 6-week class

**ID Code: PZD-1**

(new families also have a \$25 registration fee)

You and your preschool age dancer can join Miss Robin for an action-packed dance class **from your own home**. Engaging music will inspire your dancer to move their body while developing coordination and their ability to follow directions and imitate movement. The use of props will enable your student to use their imagination and creativity to have fun in dance class!

**Parental supervision is necessary**, parental participation is voluntary. You do not need to be local for this class, so invite your friends who live elsewhere!

Props needed: Bean bag or beanie baby, scarf, ribbon wand. Items are available for purchase at most dollar stores or Five Below. CGPAC also has ribbon wands available for purchase and pick-up.

Interested? Email us and we will get you the registration form and Zoom information!
