June 2020 Classes — Week 1: June 22-25

Due to COVID-19, we are changing a lot at CGPAC this summer. This brochure is only offering one week of classes. Since the guidelines are changing constantly, we are waiting until later in June to make decisions for the rest of summer. Look for a second publication in late June.

For your future planning, the rest of the weeks we plan to schedule with classes will be:

Week 2: July 13-16

Week 3: July 20-23

Week 4: July 27-30
(August TBA)

We have not chosen a date for School Year Registration. We are waiting for decisions from the state and schools before making any school year plans.

Important Information and Changes:

We will have 3 styles of class offered this summer. Zoom Only, In-Person Small Group, and Private Lessons (in-person or on Zoom).

Zoom: All students will log in remotely for these classes with the instructor teaching either from the studio or their home. Please visit the Virtual Class Information page on cgpac.com for suggestions for the best experience.

In-Person Small Group:

Following the guidelines of Phase 3 for Illinois, we will conduct classes with 4 or 5 students (depending on the room size) with a teacher. All students will be in the classroom (no one on Zoom). Since these classes will be limited to enrollment below our normal minimum, these semi-private classes will cost more than the Zoom lessons.

Private Lessons: Voice and Piano private lessons will be offered on Zoom for now. Dance private lessons will be available in person or via Zoom. Email to schedule.

CGPAC Summer Class FAQ:

Do we need to wear masks? Yes, at all times you are not in your designated “dance square.” Additionally, we are asking all students to attempt to take class wearing a mask the whole time. Staff will be masked the entire time. You can discuss this with your dancer to make a decision that is best for your family, but wearing a mask when entering/in the hallway/lobby is required. No exceptions. Those not wishing to wear a mask are welcome to take any of our Zoom offerings.

How do we register? We have printed brochures at the studio, you can print it at home, or the online registration pdf is fillable if you prefer to download, fill in on your computer, save, and email back to us. A credit card will be required for this option. If you are using a gift certificate, it must be enclosed with your printed registration and dropped at the studio.

What is the new waiver? And does everyone need to submit it? All families will be required to digitally sign off on our new CGPAC student waiver, even if you submitted the previous version in April. It covers safety precautions of taking virtual classes online, personal injury risk both in-person and online, a photo/video release, and risks of taking in-person class due to COVID-19.

What are your cleaning procedures? Before every class, barres will be sanitized. Staff will continually wipe down common touch surfaces. Pro-Clean D will be used to clean the floors multiple times a week in addition to wet Swiffer cleaner used multiple times daily. A UV-C 100W disinfecting light will sterilize every classroom and bathroom multiple times a week.

What other precautions are you taking? We will take temperatures upon entering the building, anyone with a fever will not be allowed to stay. We are asking all students to bring an individual hand sanitizer (attached to your dance bag) to have access to during class (2oz CGPAC keychain sanitizer bottles will be available), to bring a yoga mat if taking modern or jazz (for floor work), to bring a “barre coozi” to wrap around the barre to keep your hand from touching the actual surface (instructional video on website), and to leave street shoes in the lobby in a designated 2’ space. The dressing rooms and lobby will be closed. Parents will stay outside unless needing to register/pay. Everyone will wear a mask (we will have \$2 medical grade disposable masks if you forget). Everyone will have a “dance square” which will keep dancers at least 10-12’ apart at all times. We have a marked enter and exit door for one way traffic. Students will not be allowed to stay between classes if classes are more than 15 minutes apart. Students can bring a water bottle or buy one from the desk for \$1, no drinking fountain access. Students may not bring food into the building. Classes will be 40, 55, and 70 minutes with a 10 minute gap between in-person classes for cleaning.

Placement: Please sign up for the same level you took this past year for summer classes, regardless of where you anticipate being placed for fall.

For placement help, please email Miss Amy at cgpac1@gmail.com.

Dress Code: All classes via Zoom and in-person have a dress code. Please consult the full explanation on the cgpac.com
