

Make-Up Week Schedule for March 15-21

(the week before spring break)

Only the classes listed below will meet during make-up week. Classes that have not been cancelled either due to weather or teacher absence will not meet. Note some classes are meeting as a “pre-makeup” for teachers who know they will be canceling a class in April or May.

Spring break is Mar 22-28. If you don’t have a make-up, you will be off both make-up week and the week of spring break. Note that some classes had to be scheduled for days of the week OTHER than your normal day. Some students have 2 make-ups during make-up week.
